

## TECHNICAL DATA SHEET

### Eurovent COMB VENTI

Eaves comb manufactured in injection molding process from high-quality polypropylene. Designed to ensure proper ventilation within the eaves area. Additional venting grate replaces the eaves batten and enables fast and easy installation of gutter hooks.

PARAMETER	UNIT	VALUE
Material		high quality, UV stabilized polypropylene
Width	[mm]	85
Length	[m]	1
Tensile strength	[Mpa]	≥20
Melting temperature	[°C]	≥85
Color	[RAL]	wall red 8004; brown 8019; black 9005
Box	[pcs]	50
Pallet	[pcs]	1000

#### Advantages:

- proper ventilation
- UV resistance
- protection against birds

## Eurovent COMB VENTI

### Application:

Comb is designed for protecting the eaves against birds, rodents and large insects. Ensures proper ventilation and air circulation within the eaves area by preventing penetration of wind-driven leaves. Additional venting grate replaces the eaves batten enabling faster and easier installation of gutter hooks. Suitable for application with nearly all types of roof coverings.

### Storage / transport:

The product should be stored under roof in dry, damp-free rooms, protected from direct UV radiation, in original packing. It is recommended to transport the product with use of covered means of transport, in manner that protects them from damage. The product should be protected from chemical agents, in particular solvent-based substances, as they can reduce technical parameters of the product or permanently damage it.

The product is under warranty, providing that the guidelines included in technical data sheet are being obeyed. We reserve the right to refuse a complaint recognition in case of not following these guidelines.

*Included information, advices and guidance is given based on our best knowledge, researches, experience and in good faith. We are not be held responsible for the consequences of improper or incorrect use of our products. Each user of the product shall ensure, in every possible way, including checking the end-product in given conditions, that the provided product is suitable to reach objectives he pursues.*
