

FIX METAL 400

The Eurovent FIX METAL 400 is an adapter for snow-stopping grate. Manufactured from galvanized steel, connection made in the TOX technology. Designed for use as a mounting element for snow-stopping grate on a metal roof tile of the 400/20 mm module. Available in several colour versions painted with powder paint according to RAL chart. Suitable for application on roof slopes ranging from 15 to 60 degrees.
