 Eurovent®

## VENTOS X BITU O

Eurovent® VENTOS X BITU O is an advanced roofing vent with the venting diameter of 170 mm and the venting entry of 150 mm, made of high-quality plastic. The construction of the roofing vent supports ventilation by using wind energy and ensures correct chimney draft. It has an anti-condensation system that removes condensation outside the roof. The profiled base prevents rainwater from flowing in. Tilt angle adjustment from 5 ° to 45 °.
