

## Eurovent FIX TUBE UNI

The Eurovent FIX TUBE UNI is an adapter for snow-stopping pipe, manufactured from galvanized steel sheet. Enables the assembly of a snow-stopping pipe to the roof covering. Available in several colour versions painted with powder paint according to RAL chart. Suitable for application on roof slopes ranging from 15 to 60 degrees.

PARAMETER	UNIT	VALUE
Material		Stal (gat. S235JR)
Steel sheet thickness	[mm]	3
Base length	[mm]	140
Base Width	[mm]	ok. 28
Fin height	[mm]	180
Hole diameter	[mm]	Ø 37
Hole spacing	[mm]	ok. 47
Colour	[RAL]	Zinc; brick 8004; bronze 8017; bronze 8019; anthracite 7016; anthracite 7024*; black 9005; chestnut 3009*; green 6020*; cherry: 3004*
Corrosion protection		Hot-dip galvanized
UV-resistant		Resistant
Package	[pcs]	10

### Advantages:

- Double protection against corrosion
  - Fast and easy installation
  - For flat roof coverings

## Eurovent FIX TUBE UNI

### Application:

The adapter for snow-stopping pipe Eurovent FIX TUBE UNI is designed for use as an adapter for a snow-stopping pipe. Designed for use as a protection element enabling efficient installation of the snow-stopping pipe on sloping roofs covered with flat roof covering. Its installation is quick and easy – it is fixed under the roof tile, directly to the roof construction.

### Storage / transport:

The product should be stored under roof in dry, damp-free rooms, protected from direct UV radiation. Product can be deformed, disfigured or suffer from damages of galvanized/paint coating if put under high pressure. Therefore it is unadvised to stack the product with other heavy products (both in storage and in transport). It is recommended to transport the product with use of covered means of transport, in manner that protects them from damage. During the transport safety regulations have to be observed. The product should be protected from chemical agents, in particular solvent-based substances, as they can reduce technical parameters of the product or permanently damage it.

The product is under warranty, providing that the guidelines included in technical data sheet are being obeyed. We reserve the right to refuse a complaint recognition in case of not following these guidelines.

*Included information, advices and guidance is given based on our best knowledge, researches, experience and in good faith. We are not be held responsible for the consequences of improper or incorrect use of our products. Each user of the product shall ensure, in every possible way, including checking the end-product in given conditions, that the provided product is suitable to reach objectives he pursues.*
